

NCON – Your Trusted Partner in Container Solutions

Leading provider of intermodal container solutions across India, specializing in safe, reliable, and ISO-compliant containers for all your cargo needs.

Years of Excellence in Container Solutions

Industry Expertise

With years of experience in the container industry, NCON has established itself as a trusted partner for businesses across India. We understand the complexities of modern logistics and cargo transportation.

Comprehensive Solutions

From general goods to hazardous chemicals and temperature-sensitive products, our solutions are tailored to meet the unique requirements of each shipment, ensuring maximum efficiency and safety.

Our Core Services

Buy a Container

Best prices with transparent buying process. New, old, damaged, or scrap containers available with secure global payments.

Sell a Container

Connect to global buyers and maximize value with our international market access and expert assessment services.

Lease a Container

Flexible leasing from one day to long-term, with one-way options across PAN India and transparent pricing.

Transportation

Safe and timely container transport across India and globally through our partner network including Nisha Roadways.

Container Purchase Solutions

01

Assessment & Pricing

Fair pricing based on container age and condition with photo evaluation for accurate quotes.

02

Secure Transactions

Global money transfers with guaranteed on-time payments and transparent documentation process.

03

Anywhere Delivery

Comprehensive anywhere-to-anywhere purchase services covering all container types and conditions.

Flexible Leasing Options

Unmatched Flexibility

- One day to long-term leasing available
- No fixed duration requirements
- One-way leasing across PAN India
- Transparent cost structure

Our leasing costs are calculated based on the number of containers and distance, ensuring fair and predictable pricing for your logistics planning.

Dry & Special Containers

Dry Van Containers

Standard cargo containers perfect for general goods transportation. Available in multiple sizes with ISO compliance for global shipping standards.

Special Containers

Customized solutions for unique cargo requirements including open-top, flat-rack, and specialized configurations for oversized or irregular shipments.

ISO Tank Containers

T11 & T14 ISO Tanks

Standard tank containers for liquid cargo transport with robust construction and international certification for safe chemical handling.

Specialty Lined Tanks

Advanced lining systems for corrosive materials and specialized chemicals requiring enhanced protection and contamination prevention.

Cryogenic LNG T75

Temperature-controlled tanks for liquefied natural gas and other cryogenic applications with superior insulation technology.

Cabin Containers – Spaces That Move With You

Security & Office Cabins

Portable security cabins and office spaces perfect for construction sites, events, and temporary operations with professional amenities.

PUF Insulated Cabins

High-quality insulated cabins with PUF technology for comfortable accommodation and workspace solutions in any climate.

Sanitation Solutions

Portable container toilets and prefabricated facilities ensuring hygiene and convenience for remote locations and events.

Cool Cargo, Warm Confidence

10ft Reefer Containers

Compact refrigerated units ideal for small-scale temperature-sensitive cargo with precise climate control.

20ft Reefer Containers

Standard refrigerated containers perfect for medium-volume cold chain logistics with reliable temperature maintenance.

40ft Reefer Containers

Large capacity refrigerated solutions for bulk temperature-sensitive shipments with advanced monitoring systems.
